### **Dedication**

Two portable candlesticks, given in memory of Miss Emmeline Bonser by her family, were dedicated on Sunday 22<sup>nd</sup> November in the presence of the family. The candlesticks were designed and executed by Mr Knight of Wellingborough and constitute a worthy addition to the beauty of the sanctuary. We are sorry to hear that Mrs Molly Wood, Miss Bonsers's niece, who was mainly responsible for the idea is very ill in hospital. We hope that she will make a rapid recovery, and extend our sympathy to her husband and mother in these anxious days.
